

REACH Compliance Declaration – EU & UK

Unitronics confirms compliance with Regulation (EC) No. 1907/2006 (EU REACH) and the UK REACH Regulation as applicable to products placed on the EU and UK markets.

- Products do not contain SVHC substances above 0.1% w/w per article based on the latest published candidate lists.
- No notification or communication obligations under EU REACH or UK REACH Articles equivalent to Article 33 and Article 7(2) apply.
- Products do not contain substances listed in Annex XIV (Authorization List) of EU or UK REACH.
- Products comply with restrictions defined in Annex XVII of EU and UK REACH.
- Compliance is based on supplier material declarations and internal compliance procedures.

This declaration is provided based on currently available regulatory and supplier information and may be updated in accordance with future REACH amendments.
